9. Chief's Report: (see attached)

10. Good of the Order: Chief Fuller reported that Zeb Wardle wishes to buy the surplus water (formerly fuel) tank. Short discussion about the tank, it's originally intended purpose as a water supply on West Evans Creek Road. Les Brooks recommended looking into the value of such a tank. Keith Lynn will review the status of having a local water supply with his West Evans neighbors. The consensus of the Board was to research the matter and review it at the next Board meeting. Wayne DeRuyte reported on a meeting which the Volunteers held regarding the recent termination of Mark Pawlick. The majority of the volunteers is concerned with this and has drafted a letter responding to Pawlick's Performance Evaluations. The Volunteers have completed Performance Evaluations on both Mark Pawlick and Chief Fuller and these were presented to each Board member. Mark Pawlick requested the opportunity to make an appeal to the Board of Directors regarding his termination even though it was past the ten days allowed for
such an appeal as per the District’s Discipline Policy. Les Brooks noted that this would require consideration of an exception to the policy. Brief exchange between Mark and Les regarding the Discipline Policy and how it’s been followed. Mark said he’d mis-read the policy. Chief Fuller reminded everyone that, per our attorney, personnel issues may only be discussed in executive session. It was decided that an a Special Meeting of the Board of Directors would be held on Monday, July 13, 2009 at 3:00 PM at the Fire Station to go into executive session and consider whether or not to hear Mark Pawlick’s appeal to his termination. Mike Allen stated that he was glad to see the Board go this way, that this is a serious issue which needs to be looked at from all angles and we need to move forward.

11. Adjournment: Dennis Feeley moved that the meeting be adjourned. Keith Lynn seconded the motion which passed unanimously. The meeting was adjourned at 7:16 PM.
