  - C. Volunteer Compensation Practices/Brewster Fraud Letter: Chief Fuller reviewed the Fraud Questionnaire from auditor Rick Brewster and expressed his concern that it might be interpreted as fraud that the District does not treat volunteers as employees with regard to payroll taxes, withholding and PERS. Dennis Feeley stated that it was important for the District to follow the laws and not commit fraud as described in the questionnaire. Larry Tuttle said that he opposed treating the \$5.00 which we reimburse Volunteers for each call and training session as payroll, especially since the majority of small Fire Districts in Oregon do not do this either. Travis Crume suggested that volunteers complete forms for mileage for reimbursement and state that they are giving their services for free. The reimbursements would then cover actual expenses. Dale TenBroeck added that the volunteers need to be given an explanation about this. Larry Tuttle moved to authorize Chief Fuller to sign the Fraud Compliance Document. Dennis Feeley seconded the motion which passed unanimously.
8. NEW BUSINESS:
  - A. Resolution 13/02/PPV Fan: Chief Fuller explained that the old Positive Pressure Ventilation fan had failed unexpectedly and needed to be replaced. While the District has adequate reserves to cover this expense, there is no line item in the budget to cover it. Larry Tuttle moved to transfer \$2400 from Line Item 5401, Operating Contingency to Line Item 5203, Vehicle Repair & Maintenance. Dale TenBroeck seconded the motion which passed unanimously.

Larry Tuttle talked about an email from Brian Chapman stating that Brian's work had suddenly required him to be in Portland most of the time and that he might be unavailable for some meetings for a few months. Brian wrote that he wanted to continue on the Board but understood that his new situation may require him to step down and he would understand if the Board chose to replace him. Other Board members expressed their understanding of this situation and that we would let the situation ride for the time being.
